If you are any of the above than you've got to check out Club Workshop! Denver's first open access workshop club, f

eaturing equipment, facilities and training for a wide variety of personal projects and interests; from automotive to electronics, inventing to prototyping, woodworking to metalworking, we are your workshop.

Our 16,000 square foot facility...

contains the equipment you need for to complete all your projects! Including:

- A well equipped machine shop
- Rapid prototyping machines
- Laser engraver and cutter
- Large format printing & vinyl cutting
- Auto bays
- Tools
- Project storage
- Woodwork shop
- Paint and powder coat booth (coming in the spring of 2009)
- Metal shop including welding equipment
- Computer lab complete with CAD program
- Resource library
- Embroidery and Sewing Machines

Need training? We've got you covered! Check out our class schedule; prep classes will help keep you safe on the equipment or more advanced classes to really Empower your inner Creator!

<sup>\*</sup> Equipment & capabilities may vary from time to time as new equipment is added, or equipment is serviced or maintained.
